Objective of C&F Expo India

- This is the right time for Indian Foundries to create a trade show platform to display their Castings and attract outsourcing teams from India and abroad
- ENGIMACH, an International trade show of Engineering Machinery has contributed to industrial growth for 26 years, since 1997 with 15 previous editions.
- ENGIMACH now launches a concurrent show CASTINGS & FOUNDRIES EXPO INDIA. Both will be held biennially.
- A unique opportunity for foundries will be the presence of 500+ buyers at the venue itself as engineering exhibitors in 16th ENGIMACH
- Foundries will be the centre of focus. To support the foundrymen, selected foreign buyers of Castings will be specially sponsored for Buyer-Seller Meet.
- Leading Indian outsourcing teams will also be invited for Buyer-Seller Meet.
- Exhibitors of C&F Expo India will be given complimentary participation in the Buyer-Seller Meet with national and international buyers of Castings.
